Mr. M.A Malik asked Mr. Raees A. Shaikh to pin point the decisions made without calling meeting of managing committee. Mr. Malik further said that he has been also Chairman PAAPAM as well as member managing committee but not witnessed any such irregularity. All decisions are taken by managing committee and proper minutes of the meeting are recorded.

Replying to above Chairman PAAPAM Muhammad Ashraf Shaikh concluded the discussion by stating that all major decision must be taken with consent of Managing Committee. He, however pointed out that the association must be forward looking, we must learn from the past and plan for the future accordingly.

If any thing has happened in the past, must have been due to over sight rather than intentionally. We must improve internally and develop a better system for future. Mudslinging is counterproductive and normally leads to internal rifts. This must be avoided.

Finally he thanked the members for over whelming supporting his opinion.

There being no other item on the agenda or otherwise, the meeting ended with vote of thanks to and from the Chair.
